CHOPPER'S F**KIN BINGO STARRING HEATH FRANKLIN AS CHOPPER

Bingo had better watch its balls because it's got a new host - Chopper!

He's decided to shake up the rules and give the blue rinse set something to worry about, and at the same time show those Melbourne comics how to win over an audience - with a short temper and a big f**king gun.

Star of Network 10's The Ronnie Johns Half Hour, and international comedy tours Chopper's Harden the F*ck Up Australia (2007) and Make Deadsh*t's History (2008), Logie and ARIA nominated comedian Heath Franklin bring his his critically-acclaimed, sell out hit show Chopper F**kin Bingo to Brisbane and Perth for the first time ever!

Now it's not the type of bingo that Grandma plays – there's a bit of swearing, a bit of violence and somebody may get shot, but other than that, it's a street fighter with 17 unofficial kills calling numbers, refereeing physical challenges, and audience members winning a swag of prizes.

Chopper will be joined on stage by special guests and keyboardist Sammy J.

From beef sausage nun chukka fights to cutting the ears of drug mule piñatas, this is anarchic, physical and improvised comedy at its best. So come, play, you might even win Chopper's 'special' meat tray.

Chopper's Bingo - it's like Chopper's Dingo, but safer for your kids

Sell out show 2007-09 Adelaide Fringe, 2006-07 Sydney Big Laugh and 2006-09 Melbourne Comedy Festival
