Immaculate Misconception

Corey White is one of the most interesting voices in Australian comedy. The world premiere of his debut show is cheeky, charming and flirting with illegality. Subversive, satirical and provocative this low-socio economic elitist is telling stories, singing songs and looking for survivors in our cultural train wreck.

Supporting Corey will be the hilarious Tien Tran, who after just 12 months has forged a name for himself as one of the most talented comedians going around. Taking out the State final of Triple J's RAW comedy in 2011, Tien combines edgy one-liners with hilarious anecdotes, to produce for a truly unique performance.

“It might be morally dubious... but its not illegal”

Two of the rising stars in Australian comedy, ***Immaculate Misconception*** promises to be a cross cultural and inter-racial night of laughter. As finalists in the 2010 Green Faces comedy competition and RAW comedy in 2011, Corey and Tien have featured prominently in the comedy venues across Perth.

Catch them before they are arrested for sedition, sued for defamation or signed by an agency other than Centrelink.
