FOR IMMEDIATE RELEASE
Media Release, April 2011.

Em O'Loughlin used to be

A BIG FATTY BOOMBAH!

But she lost 85kgs so now she's just a boombah.

Seriously. True. No bullsh#. Em was an elephant, then she lost 85kgs. The thing is...elephants never forget.

"This is the story of how I made my arse look smaller simply by pulling my head out of it", says Em.

When it comes to the Obesity Crisis, taking two éclairs and lying down is not the answer. National Raw Comedy Winner (2001) Em O'Loughlin used to weigh more than two blokes! Then she lost a whole bloke...and she didn't even get divorced. Join Em on a brave and funny gut-busting journey that lifts the lid on being a fatso, licks it clean and chucks it in the bin.

"SOLD OUT" - Adelaide Fringe 2010.
