JANELLE KOENIG

LOVESONGS AND DEVIATIONS

Lovesongs and Deviations is a whole new swag of stand-up, songs and improvisation from Perth's favourite saucy minx, which will delight, defy and possibly debauch...in the nicest possible way.

Janelle will take input and ideas from the audience and turn them into serenades, kids' tunes, rock ballads and possible dates. Anything can happen and probably will.

Recent permanent Perth import Janelle Koenig storms the local and national rooms as a headliner and MC, is a core member of long-running Perth impro group The Big Hoo Haa, and is an all round top bird. Janelle has performed in rooms across the country, plus the U.K., the U.S. and Singapore, and her saucy, irreverent style is always a hit with men and women alike.

Janelle has won fans across the country on stage (Swell, Call Girls, Life After Dick, Puppetry of Penis), radio (Nova) and TV land (Instant T.V., Stand Up Australia, Last Comic Standing - Miami) for her impious, raunchy style and knows that this brand new show, featuring brand new songs will both delight and titillate anyone who has a great song stuck in their heart, or a crap song stuck in their head.

Janelle Koenig has a guitar....and she's not afraid to use it.

"a must see...had the audience laughing throughout" RRR
