## Tahir *Fully Sick!*

### Tahir Bilgic heads to Perth with an hilarious look at the Australian Way of Life

Best known as the drug taking upstart "Habib" on the cult classic TV series 'Fat Pizza' Tahir is Australia's only Turkish stand-up comedian, the rest of them are too busy with Kebab shops at the moment.

**Fully Sick** is an hilarious blockbuster stage show packed with stand-up, sketch\*, music\*, dance\* and laughs (\*Some of this may be incorrect). The red carpet is rolled out as Tahir dissects everyday life, recasts classic movies and explores Australian television from "Abdul's" point of view. Tahir is in charge and will take you on the journey of you Life!!

As a beloved member of the "Fat Pizza" cast he performed the role of "Habib" live in a 40 week sell-out national tour of "PIZZA LIVE ON STAGE" and the subsequent film "PIZZA - The Movie" which played across the country and was the most financially successful Aussie film of the year. But there is much more to Tahir's talents than just an off-beat drug-dealing nut case!

Tahir has become a familiar face on TV having been featured on The Footy Show (NRL), Hey Hey it's Saturday, The Today Show, Stand-Up Australia on the Comedy Channel, Thank God You're Here and featured on the SBS comedian series, Aussie Jokers. He has written and directed three live stage shows, appeared in dramatic roles on All Saints and the ABC's critically acclaimed Bad Cop Bad Cop, haunted corporate & public stages for over 10 years and entertains audiences of all ages as a Theatre Sports favourite.

Master improviser, politically incorrect, sometimes shocking, always hilarious, **Tahir is Fully Sick!**

"a natural brilliant comedian" THE MELBOURNE AGE
