TEAM LEHRER PRESENT

AN EVENING WASTED!

The Irreverence of Tom Lehrer

FEATURING IZAAK LIM, NICK MACLAINE,
CLINT STRINDBERG, ANDREW WILLIAMS,
BRIANNA WILLIAMS and TIM CUNNIFFE

Nothing is sacred in AN EVENING WASTED,
a new cabaret celebration of Tom Lehrer
where the music sizzles and the satire blazes!

Tom Lehrer set the comedy world on fire with hits like Poisoning Pigeons in the Park, The Masochism Tango and The Vatican Rag, winning him generations of adoring fans.

AN EVENING WASTED is a loving tribute to Tom Lehrer devised by the same creative team that thrilled Perth audiences with TOMFOOLERY last year. A cabaret showcase of his greatest hits, this new production puts Tom Lehrer back on the comedy circuit where he belongs! Join one of the state's most dynamic and entertaining cabaret ensembles on a musical journey through the joys of transubstantiation, masochism and nuclear winter.

*Their comic delivery and timing was wonderful. Comically gifted! **The West Australian***

With great music, great comedy and a young and hilarious cast, AN EVENING WASTED will reinvigorate the works of Tom Lehrer for devotees and newcomers alike. Be prepared!
