

The Bad Boys Of Music Theatre

Present

A Fine Bromance

Fresh from a year of weekly appearances on Melbourne's Channel 31 breakfast show, the 2 time Short + Sweet Cabaret finalists/best writing award winners ~~Andrew &... John &...~~ (Just call them The Bad Boys Of Music Theatre) present: "A Fine Bromance".

In an AMAZING CABARET FIRST* the Bad Boys give you a dirty, voyeuristic peek into the world of bromantic comedy. That's right, the bromantic couple Tim Ferguson said were "The funniest goddamn act in Melbourne - Snappier than Deano and Jerry, more lovable than Ernie and Bert and much better than the Doug Anthony All Stars (whoever they were)..." And C31 censors aren't "comfortable putting to air" are letting you be the third wheel for a night of inappropriate, vaguely homoerotic, friendship. So strap in, hold tight and remember: They can be your wingmen... Anytime!!

*(May not be amazing. Or cabaret first.)
