### Tim Ferguson goes West with his new show "Cane & Able"

The Wild West Comedy Festival is proud to announce the premiere of **Tim Ferguson's** new comedy show, *Cane & Able*.

One of Australia's best-loved international comedians delivers an evening of stories from a life on the comedy warpath. Full of sharp insights to the human condition (and his own condition), with wicked wit and admirable honesty.

Armed with a big stick and a bad haircut, this master comedian is fierce, fearless and funny.

Speaking from Ontario Canada, Tim said, "I'm looking forward to returning to Western Australia, home of sunny days and also nighttime. I love the bully pulpit of standup comedy - or, in my case, standup, wobble then sitdown comedy." Tim has experienced MS for much of his adult life. "It's not for wimps," he said.

The former Doug Anthony Allstar and host of *Don't Forget Your Toothbrush* now travels the world teaching screenwriters the art of narrative comedy. Tim recently released his bestselling comedy writing manual, *The Cheeky Monkey* (Currency Press <http://www.currency.com.au>)

Tim warns audiences to "Be mildly nervous. Be *very* mildly nervous."

Prepare for the truth, the whole truth, and, nothing but what Tim reckons is the truth.
